

# Patient- and Family-Centered Care in Adult ICU's

**Tuesday, February 8, 2011**

**1:00 – 2:30 pm (EST)**

If your intensive care unit is planning to integrate patient- and family-centered care or you are experiencing challenges in integrating patient- and family-centered care, join this webinar to learn how to effectively partner with patients and family members to improve safety, quality of care, and communication in a critical care unit. Learn how to collaborate with family members as partners in care at the bedside. Discuss best practices and strategies to bring your medical team on board.

## FEES

**\$249 per call-in line**

(A group may participate in the same room with you on this call-in line.)

**\$199 for Pinwheel Sponsors**

(Please call the Institute for details.)

**REGISTER NOW!**

**SPACE IS LIMITED**

[\(CLICK HERE TO REGISTER!\)](#)

After your registration is confirmed, you will receive details about joining the webinar.

## WHO SHOULD ATTEND

Critical care clinicians and health care professionals who want to build partnerships with patients and families, program coordinators charged with implementing patient- and family-centered initiatives, and patient and family leaders serving in an advisory role.

Participants will receive a General Certificate of Participation for 1.5 hours.

## WEBINAR OBJECTIVES

- Describe key elements of a patient- and family-centered approach to adult intensive care;
- Identify practical strategies for incorporating patient- and family-centered practice in an intensive care unit; and
- Discuss emerging outcome data related to patient- and family-centered care in intensive care units.

## WEBINARS OFFERED BY THE INSTITUTE FOR PATIENT- AND FAMILY-CENTERED CARE

FOR DATES AND DETAILS, GO TO: [IPFCC.ORG/CALENDAR.HTML](http://IPFCC.ORG/CALENDAR.HTML)

### FEBRUARY 2011

Hospitals and Communities Advancing Patient- and Family-Centered Care: A Beginner's Guide

**A variety of resources and tools will be shared.**

**Visit [www.ipfcc.org](http://www.ipfcc.org) for more information or call 301-652-0281.**

## WEBINAR FACULTY

**Roslyn Marshall, RN, BSN, MHSA**, is the Nurse Manager of the Neuroscience Center of MCG Health System, the clinical enterprise of the Medical College of Georgia. She oversees the day-to-day management of the Neurosciences Intensive Care Unit, the general Neuroscience unit, and the ambulatory adult and pediatric Neurology/Neurosurgery and other practice sites. The Neuroscience Center is widely recognized as a model for patient- and family-centered care.

**Roscoe Brown**, a patient advisor with the Medical College of Georgia Health System in Augusta, Georgia, is a member of the MCG Health Partners Advisory Council and the Neuroscience Center of Excellence Advisory Council. Roscoe shares his personal medical experiences as a family member by serving on a variety of committees. He is a retired Coca Cola Bottling Company executive after 45 years of service. He serves on many community boards and auxiliaries including Leadership Augusta and has served on its Executive Board. Roscoe uses his experience as a former executive to interview potential faculty, staff, and administrators for the health system.
