

BECOME A PINWHEEL SPONSOR

An Invitation

The Institute for Patient- and Family-Centered Care invites you to become a Pinwheel Sponsor. As a Pinwheel Sponsor, your organization will enjoy the recognition that other leaders and supporters across the United States and internationally receive as a role model in advancing the practice of patient- and family-centered care.

Your support enables the Institute to continue to develop and provide:

- Guidance and educational resources;
- In-depth seminars for clinicians and hospital executives to explore best practices for improving the experience of care and clinical outcomes by partnering with patients and families;
- A website highlighting innovation and available resources;
- Information dissemination on promising practices;
- A national and international showcase for innovative health care programs committed to patient- and family-centered care and meaningful collaboration with patients and families;
- Policy and research initiatives;
- Scholarship opportunities; and
- Training and technical assistance for individual hospitals.

Your Pinwheel Sponsorship serves as your formal affiliation with the Institute for Patient- and Family-Centered Care, the leading organization for patient- and family-centered care, acclaimed nationally and recognized internationally for work in this field. Sponsorship enhances the opportunity to interact with a valuable network of colleagues who are also committed to this approach to health care. Participation in the Pinwheel Sponsors Program enables your organization to effectively tap into the Institute's resources, enhancing your ability to better serve your patients, their families, and your community.

The Pinwheel Sponsors Program demonstrates commitment to improving health care at all levels: academic medical centers, community hospitals and clinics, public health agencies, health provider organizations, family-led organizations, schools of medicine, nursing, and allied health professions. It recognizes all who are committed to improving health care through patient- and family-centered practices.

BENEFITS

Pinwheel Sponsors receive national and international recognition as one of the Institute's valued supporters. ** Commitments as of June 24, 2010*

The pinwheel symbolizes the Institute's commitment to enhance partnerships among health care providers, patients of all ages, and their families in hospitals and community settings. The pinwheel represents interaction and synergy. When all parts of the pinwheel work well together, each part plays a vital role. This is our vision for patient- and family-centered systems of care.
