I received enough information to fully understand the grant proposal (i.e. too much, not enough, the language, jargon and terms were easy to understand)						
It was clear to me which parts of the grant proposal I was reviewing						
The questions on the Grant Reviewer form were easy to understand and answer						

Statement	Strongly Agree	Agree	Unsure	Disagree	Strongly Disagree	If you answered <i>strongly disagree, disagree</i> or <i>unsure</i> to any of the statements, please explain why and what changes you would recommend.
The scientist adequately addressed my feedback. (i.e. revisions were made as a result of my feedback or if not, reasons were provided)						
My input was adequately considered, respected and appreciated
